

Dear Customer

Our factory would be closed from **Jan-28-2016** to **Feb-15-2016** for **Chinese New Year Holiday**.Orders during this period would be probably delayed for shipment. We'll come back on Feb-16-2016.Then we need 1-5 days to deal with the orders we get during holiday.For most of us,this is only chance to back hometown to reunion with our families. So holiday is longer.Wish your understanding. Please feel free to email us,our sales would try to answer at home.
